

LIBRARY SERVICES CIRCULATION POLICY

LIBRARY SERVICES PURPOSE / MISSION STATEMENT:

The River Parishes Community College Library Services exists to support the mission and goals of River Parishes Community College. The Library provides the RPCC community with materials, resources, and instructional services necessary for teaching and learning.

GENERAL

Anyone may use the Library but only currently enrolled students, current faculty and staff, Friends of River Parishes Community College Library, and patrons who possess a current valid LALINC (Louisiana Academic Library Information Network Consortium) card are eligible to borrow library items. All circulating materials must be checked out at the Circulation Desk and returned to the Circulation Desk during operating hours, or to the outdoor book return during hours the library is closed.

A photo ID is required to borrow materials. Acceptable IDs include an RPCC ID or a current driver's license for non-RPCC borrowers.

RPCC STUDENTS must be currently enrolled in order to borrow library materials. Students must present their valid student picture ID to verify current enrollment when borrowing materials.

- Students can borrow library materials **ONLY** if they are registered for the current semester. No materials may be borrowed between semesters. Exceptions are made for student workers between semesters and those eligible to work when not taking classes (summer semesters only).
- Student picture IDs must be valid, current, and presented **IN PERSON** in order to charge materials. IDs are **NOT** transferable. No library materials will be charged to a patron using another student's ID.
- Each individual is responsible for all library materials borrowed on his/her student ID number.

NOTE: Once a semester has begun, if a student does not appear in the Library's database, or has not been updated, the student's status must be verified before being allowed to borrow materials.

RPCC FACULTY & STAFF must present a Faculty/Staff picture ID or a driver's license in order to borrow library materials. RPCC faculty may designate RPCC students and/or RPCC staff to charge materials from the library with his/her faculty ID number. A signed letter of designation must

be on record at the Circulation Desk prior to this privilege being extended. The faculty member is responsible for all materials checked out in this manner. Until Faculty/Staff ID cards are issued a valid picture ID (e.g., a valid driver's license) must be presented.

BORROWING PRIVILEGES

Regular Borrowing Privileges

Currently registered students of RPCC may borrow library materials from the Library upon presentation of a current, valid student ID or other valid photo ID. Students may charge up to 10 items, which may include no more than four media (Audio/Visual) items and/or 2 Reserve items.

Please complete the "Reserve" form available on the LRC web page and at the Circulation Desk. **Items placed on Reserve MUST be checked out for use, whether they may be taken from the Library or are "Library Use Only". NO EXCEPTIONS.**

Other materials placed on Reserve that are not specific to a course include headphones and calculators. These items must also be checked out for use.

Loan periods and terms for Reserve items will vary, depending on the item and the instructor's needs.

Students may check out up to **two** reserve items at a time. Reserve items **MUST BE RETURNED TO THE CIRCULATION DESK** by the end of the loan period. If any item is left in another area of the library or returned to the night drop when the Library is open, the borrower **WILL** be responsible for any overdue fees and any other related charges that may accrue until the item is properly returned.

All course reserve materials will be removed from Reserves at the end of each semester to assure compliance with Title 17 of section 107 "Fair Use Factors" of the U.S. Code

Renewals

All patron groups may have unlimited renewals of all circulating items up to the end of the semester, excluding Reserve and Interlibrary Loan materials, and any item that has a hold or recall in place. Items may be renewed through the online catalog, by calling the Head of Public Services during office hours, sending an e-mail to lrc@rpcc.edu, with the subject "Renewal" or similar wording, or at the Circulation Desk; if coming in person to renew an item, the item itself is not required. However, it is the borrower's responsibility to make a note of the new due date when an item is renewed without being brought to the Library or when renewing items online. Depending on the types of materials, new due dates will vary.

Recalls / Holds

With the exception of Reserve and Interlibrary Loan materials, any items that are charged to any borrower are subject to holds or recalls. A **hold** will be placed on an item that is currently checked out to one patron if needed by another. A **recall** will be placed if the item is checked out for the entire semester or if an item has

been requested for Reserve, regardless of the due date. The patron from whom an item is recalled will be asked to return the item within 7 days to the Circulation Desk. Holds and recalls will NOT be placed on an item that is a Reference or Reserve item, or is not checked out to someone.

Any eligible patron may request a hold on any physical item that is checked out unless it is a Reserve item (such items have shorter loan periods and are not subject to holds or recalls). Requests may be placed in person using a **Hold Request** form available at the Circulation Desk, or by e-mail (when e-mailing a request, be sure to include as much information on the book as possible, including at least the title, author and call number). When the item is returned, it will be held at the Circulation Desk for 7 days to give the requesting patron time to check the item out before it is re-shelved. Once the 7 days have passed, the item will be returned to the shelf and will be available for any other eligible patron to borrow.

Search Request - Locating Missing Materials

If the online catalog shows that an item is not checked out, but the item is not on the shelves, a patron may fill out a **Search Request** form at the Circulation Desk. If the item is located, a notice will be sent to the patron requesting the item and the item will be held for the patron 7 days at the Circulation Desk. Notification will be sent within one week if the item has still not been located.

Interlibrary Loan and Reciprocal Borrowing through LALINC – the Louisiana Academic Library Information Network Consortium.

- RPCC students and faculty may borrow items via Interlibrary Loan (ILL) from other libraries throughout Louisiana and the nation if Library Services does not own or have access to the item sought. For a full description of ILL services, see the ILL policy.
- In addition to ILL, current RPCC faculty and students may obtain a LALINC card at the Circulation Desk, if in good standing with RPCC Library (i.e. no outstanding charges and/or no overdue books). The LALINC card is valid for one semester and can be presented to any LALINC member Louisiana library along with appropriate photo identification to borrow items from that library. See the [LALINC Card](#) information on the LOUIS website for information on who lends to whom and the Reciprocal Borrowing Agreement.
- Other patrons (Friends of the Library, LALINC patrons) are not eligible to request ILL service from RPCC Library Service; please visit your local public library for assistance.

Circulation policies vary between libraries and the borrower is responsible for reading and understanding the policies of the lending library and for any fines or charges incurred using either ILL or LALINC services.

Return Receipts

Any patron may request a return receipt when returning library materials. Please indicate this BEFORE your materials are checked in at the Circulation Desk. Return receipts cannot be issued for materials returned in the drop box after hours.

OVERDUE MATERIALS, LIBRARY FINES and CHARGES

Any overdue items must be returned or renewed (if eligible) and any related fines paid. All fines and other charges are to be paid in the Bursar's Office; the Library does not accept payment. Students wishing to pay fines on the day that an item is returned will be provided with a bill to take to the Bursar to make payment. Otherwise, students may wait until a bill is received in the mail. A printed receipt showing payment received for fines or charges will be provided at the time payment is made and the Library will be notified. Excessive fines and/or overdue items may result in a borrower being blocked from checking out materials until all issues are resolved. See **Loss of Borrowing Privileges**, below. A hold will be placed on the student's record and the student will not receive grades or transcripts, or be allowed to register or graduate until all overdue items have been returned and/or any outstanding charges have been paid. Unpaid charges may not be adjusted for bills older than 180 days. **It is the borrower's responsibility to return or renew items in a timely fashion. The first notice of a due date is stamped or written on the due date slip on the item and stated verbally at the time of checkout.**

Regular Overdue Fines

Fines are accrued daily on all overdue materials. Regular overdue fines are 35¢ per day per item (maximum overdue fine: \$15.00 per item). Additional charges above the regular overdue fines will be included if the item is damaged or not returned.

Faculty and staff are exempt from paying overdue fines; however they are responsible for charges associated with damages to or loss of library materials in their possession. A courtesy notice will be sent one week before the end of the semester, when all items

are due back. Faculty should see the Head of Public Services should a book be needed during the break between semesters.

Fines for Overdue Reserve Items

Reserve materials carry an overdue fine of 10¢ per minute (\$6.00 per hour), with a maximum fine of \$25.00 per item. Additional charges above the regular overdue fines will be included if Reserve materials are not returned or are damaged.

Lost/Non-Returned Materials Charges

Patrons are responsible for charges associated with lost items, including the actual cost of the item, a \$20.00 Processing Fee, and any overdue fines accrued to the date of reporting the item lost. If any item is irretrievably lost (i.e., not simply misplaced), the Head of Public Services should be notified immediately in writing, by completing a **Lost Item Report** form, available at the Circulation Desk or as a printable form online. Overdue fines continue to be assessed until notification is received and/or until the maximum overdue fine is reached. Patrons who notify the Head of Public Services immediately upon noticing the item is lost may be able to avoid overdue fines if the loss is reported before or by the due date.

Lost Item charges consist of the following:

- Current replacement cost; will vary (actual cost of the item)
- Processing fee; \$20.00

After the fine for any given item reaches the maximum (\$15.00 for regular items*, \$25.00 for Reserve items**), and the item is 43 days overdue, it is considered Non-Returned. Charges associated with Non-Returned items include:

- \$20.00 processing fee (Non-refundable)
- Current replacement cost of the item.

Replacement/Damage Fees for Photocopied Reserve Materials

All Reserve material available for photocopy is prepared so the making of photocopies is possible. A fee of \$15.00 may be assessed for materials damaged or removed from binders/folders.

Other charges may include:

- Replacement Cost for reserve materials owned by the instructor. (Actual current replacement cost of the item plus the processing fee of \$20.00 and any accrued fine as appropriate)
- Damage Fee –A \$15.00 damage fee will be assessed for items that require minimal repair. Items with severe damage

necessitating replacement will be assessed a \$20.00 processing fee and the current replacement cost of the item.

Loss of Borrowing Privileges

LIBRARY BORROWING PRIVILEGES AND REMOTE ACCESS TO DATABASES WILL BE SUSPENDED IF UNPAID LIBRARY FINES REACH THE MAXIMUM FINE for one ITEM OR THERE are five or more ITEMS OVERDUE.

Appeal of Fines or Charges

Exceptions to fines and fees may be made at the discretion of the Director of Library Services and/or the Head of Public Services upon request of the student.

An appeal of fees form is available at the Circulation Desk. The appeal of fees form should be completed and submitted to the Head of Public Services or the librarian on duty. If the borrower remains unsatisfied with the initial resolution, he/she should contact the Director of Library Resources for further consideration. If the student is still unsatisfied, he/she should refer to the RPCC Student Handbook for "Student Complaint and Due Process Procedures."

RIGHT TO PRIVACY AND OTHER ISSUES

Every patron has a legal right to privacy while using information. All circulation records and any other library records identifying the names and personal information of library users are confidential. Neither names of borrowers nor information on materials used by a patron will be disclosed. Also, in order to further protect borrowers' privacy, specific information regarding titles, amounts owed, etc., will not be disclosed over the phone or to an individual asking at the desk without providing proper ID. To do so is illegal. We will only provide the number of items charged and due dates to a caller or to a patron asking at the desk without a photo ID.
